### **GoBear partners with Paysafe to provide payment processing services in Asia**

*Singapore, 25 April 2017* – GoBear, Asia’s leading financial comparison platform, today announced a partnership with Paysafe, a leading global provider of payment processing services, to provide payment processing services for GoBear’s customers in Asia.

The partnership will enable GoBear’s customers to make payments for insurance policies, credit cards, loans and savings accounts using their credit cards or bank accounts. Paysafe’s secure and reliable payment processing services will help to ensure that GoBear’s customers can make payments quickly and easily.

“We are delighted to partner with Paysafe to provide our customers with a convenient and secure way to make payments,” said Andre Hesselink, CEO of GoBear. “Paysafe’s expertise in payment processing will help us to provide our customers with a seamless and efficient experience.”

“We are excited to partner with GoBear and provide our payment processing services to their customers in Asia,” said Joel Leonoff, CEO of Paysafe. “GoBear is a leading financial comparison platform and we are confident that our partnership will help them to continue to grow their business.”

The partnership between GoBear and Paysafe is a significant development in the financial services industry in Asia. It will enable GoBear to provide its customers with a more

comprehensive range of services and will help to further establish Paysafe as a leading provider of payment processing services in the region.
