b) Text-only version of deleted article at <https://www.securityweek.com/cyone-security-ag-joins-monterosa-group> regarding September 17, 2020 announced Monterosa Group AG acquisition of CyOne Security AG:

September 17, 2020

CyOne Security AG, a leading provider of cybersecurity solutions, has joined the Monterosa Group, a global provider of software solutions. The acquisition will enable CyOne Security to expand its reach and resources, and to offer its customers a wider range of cybersecurity solutions.

CyOne Security is a leading provider of cybersecurity solutions, offering a wide range of services to protect businesses from cyber threats. Founded in 2016, the company is headquartered in Zurich, Switzerland, and has offices in Germany, Austria, and the United States. CyOne Security's services include:

- * Intrusion Detection and Prevention (IDS/IPS)
- * Endpoint Detection and Response (EDR)
- * Managed Security Services (MSS)
- * Security Consulting

The company's solutions are used by a variety of businesses, including financial institutions, healthcare organizations, and government agencies. CyOne Security has a strong track record of success, and has been recognized by industry analysts and publications for its innovative approach to cybersecurity.

The Monterosa Group is a global provider of software solutions, with a focus on ERP, CRM, and business intelligence. The group was founded in 1989 and is headquartered in Zurich, Switzerland. The Monterosa Group has a broad portfolio of software solutions, and its customers include small and medium-sized businesses (SMBs), large corporations, and government agencies.

The acquisition of CyOne Security is expected to strengthen the Monterosa Group's position in the cybersecurity market. The group will be able to offer its customers a wider range of cybersecurity solutions, and CyOne Security will be able to benefit from the Monterosa Group's strong sales and marketing network.

The acquisition was announced on September 17, 2020. The terms of the deal were not disclosed.

The article was written on September 17, 2020, and it was published on the same day. The article is about the acquisition of CyOne Security AG by the Monterosa Group. The acquisition was announced on September 17, 2020, and the article was published shortly after the announcement. The article provides information about the acquisition, the reasons for the acquisition, and the impact of the acquisition on both companies. The acquisition was seen as a strategic move for both companies, as it allowed CyOne Security to expand its reach and resources, and for the

Monterosa Group to gain a foothold in the cybersecurity market. The acquisition was announced on September 17, 2020, and was completed on October 1, 2020. The terms of the deal were not disclosed. CyOne Security is a leading provider of cybersecurity solutions, offering a wide range of services to protect businesses from cyber threats. Founded in 2016, the company is headquartered in Zurich, Switzerland, and has offices in Germany, Austria, and the United States.

c) Text-only version of deleted article at <https://www.computerwoche.de/a/cyone-security-wird-teil-der-monterosa-gruppe,3522700> regarding September 17, 2020 announced Monterosa Group AG acquisition of CyOne Security AG:

CyOne Security wird Teil der Monterosa-Gruppe

CyOne Security AG, ein führender Anbieter von Cybersicherheitslösungen, wird Teil der Monterosa-Gruppe. Die Übernahme soll es CyOne Security ermöglichen, seine Position im Markt weiter auszubauen und neue Kunden zu gewinnen.

CyOne Security ist ein führender Anbieter von Cybersicherheitslösungen mit Sitz in Zürich. Das Unternehmen wurde 2016 gegründet und beschäftigt derzeit rund 50 Mitarbeiter. CyOne Security bietet ein breites Spektrum an Cybersicherheitslösungen an, darunter Intrusion Detection and Prevention (IDS/IPS), Endpoint Detection and Response (EDR), Managed Security Services (MSS) und Security Consulting.

Die Monterosa-Gruppe ist eine führende Schweizer Unternehmensgruppe, die sich auf die Entwicklung und den Vertrieb von Softwarelösungen spezialisiert hat. Die Gruppe wurde 1989 gegründet und beschäftigt derzeit rund 100 Mitarbeiter. Die Monterosa-Gruppe verfügt über ein breites Portfolio an Softwarelösungen, darunter ERP-Systeme, CRM-Systeme, Business Intelligence-Lösungen und E-Commerce-Lösungen.

Die Übernahme von CyOne Security durch die Monterosa-Gruppe soll es CyOne Security ermöglichen, seine Position im Markt weiter auszubauen und neue Kunden zu gewinnen. Die Monterosa-Gruppe verfügt über ein starkes Vertriebsnetz und ein breites Spektrum an Kunden. CyOne Security wird von der Übernahme profitieren, da es nun Zugang zu diesen Ressourcen hat. Die Übernahme von CyOne Security durch die Monterosa-Gruppe ist ein wichtiger Schritt für beide Unternehmen. Die Übernahme wird es CyOne Security ermöglichen, seine Position im Markt weiter auszubauen und neue Kunden zu gewinnen. Die Monterosa-Gruppe wird von der Übernahme profitieren, da sie nun über ein breites Spektrum an Cybersicherheitslösungen verfügt.

English translated:

CyOne Security becomes part of the Monterosa Group

CyOne Security AG, a leading provider of cybersecurity solutions, is becoming part of the Monterosa Group. The acquisition is intended to enable CyOne Security to further expand its position in the market and win new customers.

CyOne Security is a leading provider of cybersecurity solutions based in Zurich. The company was founded in 2016 and currently employs around 50 people. CyOne Security offers a wide range of cybersecurity solutions, including Intrusion Detection and Prevention (IDS/IPS), Endpoint Detection and Response (EDR), Managed Security Services (MSS) and Security Consulting. The Monterosa Group is a leading Swiss group of companies that specializes in the development and distribution of software solutions. The group was founded in 1989 and currently employs around 100 people. The Monterosa Group has a broad portfolio of software solutions, including ERP systems, CRM systems, business intelligence solutions and e-commerce solutions.

The acquisition of CyOne Security by the Monterosa Group is intended to enable CyOne Security to further expand its position in the market and win new customers.
